"Planned giving enables The Arc of Somerset County to continue to support the current initiatives that positively impact the quality of life of the children and adults with intellectual and developmental disabilities that are served each year."

"Our Dad remembered The Arc of Somerset County in his will, which we know will have a lasting impact on the programs and services provided by The Arc of Somerset County. We encourage all families to consider creating their own legacy by providing planned giving gift through their will or estate. It is the easiest most tax effective way to donate, while knowing that the legacy of our family is helping others." Cathy C., Somerville NJ
