Community Leaders at Turner Construction "Paint the Town Blue" at Special Needs Camp — Camp Jotoni in Warren New Jersey

With a Major Capital Campaign underway for Camp Jotoni, Turner Construction saw the need to help this special-needs camp operate to its best ability for the 2016 season, so on Friday, employees from both New York and New Jersey descended upon the 15-acre campground for the annual Paint the Town Blue community volunteer project.

Camp Jotoni, which is at 51 Old Stirling Road in Warren, is a 40-year-old special-needs camp that launched a capital campaign in 2015 for major renovations needs seasonal repairs to help get the 2016 campground open.

For more information, contact Lisa Marie Arieno, 908-528-6567.
